### QUICK HITS

The Liberty will face the Wings in a battle of the top two offenses in the WNBA so far this season. New York has scored 470 points through the first five games of the season, which is the sixth-highest points total through five games in WNBA history, while the 2026 Wings ranks ninth all-time with 456 points through the first five games

Reigning Eastern Conference Player of the Week **Breanna Stewart** scored 40 points against Dallas on Sept. 5, 2023, which is the highest-scoring game by a Liberty player against the Wings in franchise history. Stewart's 24.6 points per game in 26 matchups with Dallas is her highest career scoring average against any opponent, and also marks the highest scoring average by a Wings opponent all-time.

Stewart led the Liberty with 18 points and nine rebounds on May 21 against Golden State as she passed Becky Hammon (2,367) for fifth on the Liberty's all-time scoring list.

**Pauline Astier** continued her strong start as she became the first rookie in WNBA history to shoot 60 percent from the field on more than 40 attempts through five career games.

The Liberty's 62.4% true shooting percentage is the highest by any team in WNBA history through the first five games of a season, and New York also set a WNBA record for eFG% (59.3%) through the first five games of a season.

This offseason, New York added three-time All-Star **Satou Sabally**, re-signed the All-WNBA trio of **Breanna Stewart**, **Jonquel Jones** and **Sabrina Ionescu** to multi-year contracts, and hired four-time NBA Champion Chris DeMarco as the 10th head coach in franchise history.

The 2026 season marks the Liberty's 30th anniversary as one of the WNBA's three remaining original franchises since 1997. New York will celebrate the historic campaign by honoring the special people and moments that have defined the Liberty's journey and launching a "30 Seasons" throwback-inspired logo as a unifying symbol that connects generations of players and fans through a shared past and a collective future.

## LIBERTY OFFENSE CONTINUES HISTORIC START

New York dished out 32 assists on May 14, tied for the third-highest single-game assists total in franchise history, and became the first team in franchise history to shoot over 50 percent from the field through the first four games of a season (50.9 percent). The Liberty also scored 61 points in the second half at Portland to become the second team in WNBA history to begin a season with a 50-point half in each of the first four games.

The 2026 Liberty are the first team in WNBA history to average at least 100 points per contest through the first four games of a season, and the first to open a season with four consecutive games of at least 95 points. New York also became the third team in WNBA history to total 100 assists through the first four games of a season. The Liberty set WNBA records for eFG% (59.3%) and true shooting percentage (62.4%) through the first five games of a season.

## STEWART WINS EASTERN CONFERENCE PLAYER OF THE WEEK

**Breanna Stewart** was named Eastern Conference Player of the Week for her performance from May 8 to May 17. This marks the 19th weekly honor of Stewart's career and her ninth with the Liberty, which ranks third in franchise history. She is the first player in WNBA history to win at least nine Player of the Week awards in both conferences.

Stewart led the Liberty to a 3-1 record in their first week, posting averages of 23.0 points, 9.0 rebounds, 2.8 assists, 1.3 steals and a conference-high 2.0 blocks in 33.3 minutes per game, while shooting 47.0 percent (31-for-66) from the field and 93.3 percent (28-for-30) from the free-throw line. The two-time MVP has scored 110 points across the first four games of the season, her highest combined scoring total through four games since her 2023 MVP campaign. Stewart is the first Eastern Conference player in WNBA history to begin a season with averages of at least 20 points, nine rebounds and two blocks per contest through four games. She ranks sixth in the league with 22.0 points per game, seventh with 9.0 rebounds and tied for fifth with 1.8 blocks per game. Stewart is the only player in the league to rank within the WNBA's top-10 for three different major statistical categories so far in 2026.

## PAULINE ON THE SCENE

Rookie guard **Pauline Astier** made her WNBA debut against Connecticut on May 8 before breaking out on May 10 against Washington with 18 points, seven assists, five rebounds and two steals on 60 percent shooting from the field to join Candace Parker and Paige Bueckers as the only rookies in WNBA history to post such a stat line.

Astier put up a career-high 24 points on 71.4 percent (10-for-14) shooting from the field and 66.7 percent (2-for-3) shooting from the field May 13 at Portland. Astier joined Candace Parker, Sabrina Ionescu, Andrea Stinson and Caitlin Clark as the only rookies in WNBA history to average 15 points, 4 rebounds and 4 assists through their first three career games, and was the only one to do so while shooting over 50 percent from the field (64.3%). Astier recorded her second consecutive 20-point performance on May 14 as she became the first Liberty rookie to score 60 points in any three-game span since 1997 (Sophia Witherspoon) and joined Aliyah Boston as the only rookies in the past 20 seasons to score 60 points while shooting over 60 percent from the field through four career games.

Astier's became the first rookie in WNBA history to shoot 60 percent from the field on more than 40 attempts through five career games. She has totaled 74 points through her first five games, only trailing Kia Nurse (81 points) for the most by a Liberty rookie through five career games in franchise history.

## PEAKING PLAYMAKER

**Sabrina Ionescu** has recorded an assist-to-turnover ratio of 2.0 or better with a true shooting percentage above 50% in each of the last four seasons entering 2026. Ionescu is the third player in WNBA history to record such a statline in four consecutive seasons, and only Ionescu, Sue Bird, Chelsea Gray, Skylar Diggins, Epiphany Prince and Lindsay Whalen have recorded four such seasons in their career.

## BEK OFF THE BENCH

**Rebekah Gardner** scored her 500th career point on May 14, becoming the second player in WNBA history to reach that mark on shooting splits of at least 50/40/80 percent. Gardner finished with 14 points, five rebounds and five assists off the bench to become the first Liberty reserve to record such a stat line since 2019 (Johannès). She leads all WNBA players (min. 20 field goal attempts) with a 79.5 percent true shooting percentage so far in 2026, which would be the highest in WNBA single-season history over a full season (min. 20 attempts).

## SHARPSHOOTING START

**Marine Johannès** opened 2026 on a historic shooting stretch. After hitting 5-for-9 from deep in the opener, she dropped a career-high 25 points on 8-for-15 shooting (6-for-13 from three) at Washington on May 10, matching her career high with six made 3-pointers. Her 11 made 3-pointers across her first two games set a Liberty franchise record, and she became just the second player in WNBA history to begin a season with consecutive games of five or more made 3-pointers. The French guard continued her hot start with 18 points on May 12 at Portland, breaking the franchise record for made 3-pointers through the first three games of a season and setting her career highs for 3-pointers made (14) and steals (7) in any three-game span. Johannès also dished out a career-high 11 assists on May 14 while grabbing a pair of steals to join Teresa Weatherspoon as the only Liberty players in franchise history to begin a season with four consecutive multi-steal games.

## SABALLY SIGHTING

Three-time WNBA All-Star **Satou Sabally** made her Liberty debut on May 21 after signing a multi-year contract with New York this offseason. Sabally earned 2023 All-WNBA First Team honors and was named the 2023 Most Improved Player after averaging a career-high 18.6 points, 8.1 rebounds and 1.8 steals per game and dishing out 4.4 assists per contest to join Candace Parker as the only players in league history to record such a stat line in a season. With the addition of Sabally alongside **Breanna Stewart** and **Jonquel Jones**, the Liberty become the first team in WNBA history with three players listed at 6-4 or taller who all have been named to an All-WNBA First Team.

## STEW YORK CITY

**Breanna Stewart** put up 31 points, 10 rebounds and three blocks in the team's season opener against Connecticut on May 8 for her 16th career 30-point double-double, and her first since Sept. 15, 2024. Stewart became the second-fastest player in WNBA history to score 6,000 career points, doing so in her 293rd game. Stewart put up another strong performance on May 10 at Washington, becoming the first player in franchise history and just the seventh in WNBA history to begin a season with back-to-back games of at least 20 points and four stocks. She also made her 150th career 3-pointer in a Liberty uniform to become the first player in franchise history with at least 150 3-pointers and 150 blocks with New York while passing Crystal Robinson (2,301 points) for sixth on the franchise scoring list.

Stewart recorded her 2,500th career rebound to become the first player in WNBA history to reach 6,000 points and 2,500 rebounds in fewer than 300 games, doing so in her 295th career game.

## OFFENSE IN MID-SEASON FORM

New York's 106 points on May 8 against Connecticut set a franchise record for highest-scoring season opener and is the most points in a season opener by any team since 2023, while ranking as the sixth-highest scoring game in franchise history. The Liberty erupted for 36 points in the first quarter, more than the team scored in any single quarter during the 2025 season and New York's highest-scoring first quarter since 2023. The Liberty's 66 points before halftime also marked the team's highest-scoring first half since 2023.

## THE BIG THREE IS BACK

**Breanna Stewart**, **Jonquel Jones** and **Sabrina Ionescu** look to build on an unprecedented run of success over the past three seasons after becoming the first group of three teammates in Liberty franchise history to earn All-WNBA Team honors in the same season in 2024. In 1,733 regular season minutes with Ionescu, Jones and Stewart on the court together since 2023, the Liberty recorded a +16.8 net rating, and New York posted a 70-16 record (81.4 percent) in games with all three stars in the starting lineup, the best winning percentage by any trio with at least 50 starts together since at least 2002.

Stewart, a two-time WNBA MVP, makes her return to WNBA action after a historic offseason in which she won championships in Unrivaled and EuroLeague while being named 2026 Unrivaled Championship MVP. She set the Liberty single-game scoring record with 45 points against the Fever on May 21, 2023.

Ionescu begins the season as the Liberty's all-time leader in three-pointers made with 460 and the fastest player in WNBA history to reach 400 made threes. In 2025, she became the third player in league history to average at least 18.0 points, 5.5 assists and 4.5 rebounds in a season, joining Candace Parker and Caitlin Clark.

Jones enters 2026 as the only player in WNBA history to win MVP, Sixth Player of the Year and Most Improved Player over the course of her career. During her Liberty tenure, New York has gone 34-0 in regular-season games when Jones recorded a double-double.

## LOCKDOWN LINEUP

The Liberty held opponents to just 85.2 points per 100 possessions in 122 regular-season minutes with Ionescu, Fiebich, Laney-Hamilton, Stewart and Jones sharing the court in 2024, marking the second-best defensive rating by any lineup with over 100 minutes played in a single season since 2020.

## DANGEROUS FROM DEEP

Three of the 11 WNBA players who shot at least 40% on catch-and-shoot 3-pointers over the last two seasons (2024-25) are members of the 2026 Liberty. **Leonie Fiebich** led the league at 44.8% on catch-and-shoot threes, while **Satou Sabally** (5th, 42.0%) and **Jonquel Jones** (10th, 40.1%) also ranked in the top-10 according to Genius Sports tracking data.

Marine Johannès ranked second in pull-up 3-point accuracy (35.7%) among players with at least 100 attempts in 2025 after finishing with the second-most total 3-pointers made (14) at the 2024 Paris Olympics. Johannès, who entered the season as the Liberty's all-time leader in 3-pointers made off the bench (153), is one of three players in Liberty franchise history to average at least 2.0 made 3-pointers off the bench in a single season (min. 10 games), which she achieved in 2022 to join **Rebecca Allen** (2021) and Ring of Honor member **Crystal Robinson** (1999).

## CLUTCH-TIME LEO

Since the start of the 2024 season, Leonie Fiebich leads the WNBA with an 83.3 percent (15-for-18) field-goal percentage on attempts with under five minutes remaining in the fourth quarter or overtime with a scoring margin within 5 points, which is nearly 20 percentage points above second place, per Genius Sports (min. 10 attempts).

Fiebich has also scored a league-high 2.1 points per shot on clutch field goal attempts, with no other qualified player scoring even 1.5 points per clutch shot in that span.

The 2026 season marks the 30th anniversary of the Liberty as one of the WNBA's three remaining original franchises. The organization is bringing the historic campaign to life by celebrating the trailblazers, moments, and community that have defined the organization since 1997.

Throughout the season, the Liberty are celebrating the franchise's legacy with commemorative merchandise, in-arena giveaways, community events, theme nights, and original storytelling that highlight the special people and moments that have defined the Liberty's journey. New York will honor the legendary Liberty players who made significant contributions to the Liberty's tradition of excellence and played pivotal roles in some of the most memorable moments and seasons in the franchise's 30-year history.

Anchored by a "30 Seasons" throwback-inspired logo, the campaign's visual identity blends the franchise's earliest influences with a modernized aesthetic. The bold "30" symbolizes three decades of continuity and strength, incorporating the original orange torch from the Liberty's original Lady Liberty primary logo, representing both the origins of the franchise and the energy that continues to drive it forward. Angular crown details, accented with the team's original blue colorway, pay homage to the Liberty's foundational era and trailblazing spirit since 1997. A star set on the finger of the torch-bearing fist stands as a symbol of the Liberty's 2024 WNBA Championship, capturing a defining moment in franchise history. Completed with a contemporary color palette and dimensional accents, the logo blends retro inspiration with modern design, capturing the movement of the city and the momentum of the team today.

The "30 Seasons" mark appears across merchandise, in-arena branding, digital platforms, and storytelling moments, serving as a unifying symbol that connects generations of players and fans through a shared past and a collective future.

The New York Liberty unveiled the design for their Nike WNBA "Court Origins" Edition uniform on April 24, 2026, a modern reinterpretation of the franchise's original 1997 look. The unveil date marks the 30th anniversary of the WNBA's founding announcement on April 24, 1996.

The uniform is part of the WNBA's first-ever league-wide retro uniform program, commemorating 30 seasons of the WNBA. The "Court Origins" Edition reinterprets each participating team's inaugural 1997 design within a modern silhouette, connecting the league's early identity to its continued growth. The Liberty are one of the WNBA's three remaining original franchises since 1997, along with the Phoenix Mercury and Los Angeles Sparks.

Rooted in the Liberty's inaugural visual identity, the uniform features a nostalgic color-blocked design, blending the team's signature seafoam green, black, and white with orange piping and blue trim. Centered on the chest is the original Liberty logo, featuring the Statue of Liberty's torch rendered in the franchise's founding colors and typography. The torch, the team's first symbol, was chosen to represent New York, freedom, and a purpose that extends beyond the court.

The WNBA's inaugural logo is also integrated throughout the design, appearing in red, white, and blue across the jersey hem, back, and shorts. Displayed as a patch, the logo features a silhouetted female basketball player and marks the launch of a groundbreaking platform for women's basketball. The jersey features a commemorative patch celebrating the WNBA's 30th season.

The Nike New York Liberty "Court Origins" Edition uniform debuted at Barclays Center on May 8, 2026 and will be worn during select games throughout the season.

## TAMIKA WHITMORE

Tamika Whitmore was a forward with the New York Liberty for five seasons (1999-2003), after being drafted by New York in the 1999 WNBA Draft. With the Liberty, Whitmore notably won her only Player of the Week honor during the 2002 season, a season where she started in all 32 games and averaged 12.7 points and a career-high 2.1 stocks. It was also during the 2002 season where she tied for the tenth-most blocks in a season in franchise history (43).

The forward has decorated the Liberty franchise record books, tying for the third-most blocks in a game in franchise history (5), and ranking 8th in field goal percentage (44.8), 10th in offensive rebounds (187), 11th in blocks (98), 15th in field goals made (543), 16th in points (1394) and 18th in total rebounds (561).

After her time on the Liberty, Whitmore went on to play six more seasons in the WNBA before retiring at the end of the 2009 season.

Brooklyn Basketball opened the 18,600 sq. ft. Brooklyn Basketball Training Center in September of 2025 and since then, the initiative has continued to grow and expand their reach across New York.

This marks the third year of the partnership between Brooklyn Basketball and the NYC Department of Education on an innovative program that gives elementary and middle school students access to free, in-school basketball clinics. This year alone, the program has reached over 23,000 youth across 170 schools and is on track to exceed 35,000 students by the end of 2026. In addition to schools, Brooklyn Basketball has partnered with organizations like the YMCA and Boys & Girls Clubs to bring community-based clinics to neighborhoods across Brooklyn, making the game more accessible.

Brooklyn Basketball also brings schools to the Brooklyn Basketball Training Center for programs during the school day. To date, the training center has hosted over 1,600 students from 24 schools, many of whom do not have their own facilities, for on-site experiences. The center has also hosted after-school programs, weekend training, camps, all-girls programs and other activations, while making space for students to finish homework and address other needs before and after training.

The multi-court youth basketball training facility is the first in the tri-state area to use Shoot 360 technology. Shoot 360, a leader in basketball innovation and skill development, uses advanced ball detection technology that is leveraged by teams across the WNBA and NBA, and now by the training center as well. The technology utilizes interactive features and physical activity to measure participants' skillset and analyzes performance data for suggestions on how participants can improve their game. Empowering youth with this technology aligns directly with Brooklyn Basketball's mission to deliver high-quality, inclusive, and accessible basketball programming.

The Brooklyn Basketball Training Center is right across the street from Barclays Center on Flatbush Avenue, providing the Liberty and the Nets a unique opportunity to impact children, families, schools and programs across New York.

# CHRIS DEMARCO

**NEW YORK LIBERTY HEAD COACH**  
 1ST SEASON WITH NEW YORK | 1ST SEASON IN WNBA

Four-time NBA Champion Chris DeMarco was named the 10th head coach in New York Liberty franchise history on December 3, 2025. DeMarco arrives in Brooklyn following 14 seasons with the Golden State Warriors, where he won NBA titles in 2015, 2017, 2018, and 2022. He joined Golden State under Mark Jackson in 2012 and was retained by Steve Kerr, working across player development, assistant coaching, and defensive roles during the Warriors' championship era.

In Golden State, DeMarco played a pivotal role on Steve Kerr's coaching staff, largely focusing on the team's individual skill development and systems, that ultimately culminated in one of the most successful dynasties in modern basketball history. During DeMarco's tenure, Golden State's defense held opponents to the league's second-lowest shot quality over the past 10 seasons (49.9% qSQ), per Second Spectrum. The Warriors also led the league in net rating three times during that span and won an NBA single-season record 73 games in the 2015-16 season.

In addition to his NBA success, DeMarco has served as head coach of the Bahamas Men's National Team since 2019. Under his leadership, the team achieved its most significant victory in program history, defeating host Argentina in the 2024 Olympic Pre-Qualifying Tournament final. He has also been a featured coach at Basketball Without Borders (BWB) Americas, mentoring top international prospects and advancing the game globally.

The 2026 campaign is DeMarco's first as a WNBA head coach after beginning his professional career with the Warriors in video and scouting before advancing to Director of Player Development and ultimately serving as an assistant coach.
