Breanna Stewart put up a career-high seven blocks on June 14 against the Mystics while becoming the first player since 2024 to block at least seven shots in a game and the second player in WNBA history to post 11 points, 10 rebounds and five blocks in a single regular-season half.

LIBERTY FORCE ACES TO FOLD IN COMMISSIONER'S CUP CHAMPIONSHIP PREVIEW

The Liberty beat the Las Vegas Aces 87-76 on June 23 in a preview of the Commissioner's Cup Championship. New York's defense held the Aces to their second-lowest scoring total in any home game this season, and five different players connected on multiple 3-pointers, tied for the second-most in a game throughout franchise history.

COMMISSIONER'S CUP CHAMPIONSHIP GAME COMES TO BROOKLYN

The New York Liberty will host the Las Vegas Aces in the 2026 Commissioner's Cup Championship presented by Coinbase on Tuesday, June 30 at Barclays Center. New York went a perfect 6-0 in Cup play with a plus-69 point differential to earn home court. It is the franchise's third Commissioner's Cup Championship appearance in four seasons after the Liberty won the 2023 title and represented the Eastern Conference in 2024.

LEO LIGHTS IT UP

Leonie Fiebich has connected on at least three 3-pointers in four consecutive games, the longest such streak of her career, and her 63 points in that stretch ties her career high for points in any four-game span. She matched her season high with 19 points at Seattle on June 25 and tied her career high with four threes on June 23 at Las Vegas, shooting 80 percent (4-for-5) from long range. This was the fourth time Fiebich shot at least 80 percent from deep on five or more attempts in a single game, tied for the second-most by a player through their first three WNBA seasons and only trailing Maya Moore's five such games. Fiebich has shot 43 percent from long range in her career, the second-highest 3-point percentage by any player with at least 250 career attempts in WNBA history.

LIBERTY RESERVES DOMINATING FROM DEEP

Han Xu scored 12 points on 100 percent (4-for-4) shooting from the field while connecting on both of her attempts from long range on June 23 against Las Vegas. She scored 10 points in the third quarter alone, spurring a 17-4 Liberty run as she recorded the second double-digit scoring quarter of her career and became the ninth player in franchise history to score at least 12 points off the bench on perfect shooting from the field in a game. Han is just three 3-pointers away from setting her career high for made threes in a single season and is tied for the second-best 3-point percentage in the WNBA this season at 46.7 percent, including 66.7 percent (6-for-9) in her last five games.

Marine Johannès set her career high with seven 3-pointers on May 27 and ranks fourth in the league with a total of 47 made 3-pointers in 2026. Johannès set the franchise record for 3-pointers through the first nine games of a season with 29, which was previously held by **Sabrina Ionescu** in the first nine games of the 2023 season as she went on to set the WNBA single-season record with 128 made threes. Johannès connected on at least one 3-pointer in 13 consecutive games, the longest streak of her career and tied for the fourth-longest by any player in 2026.

ASTIER ASCENDS

Pauline Astier dished out at least three assists for the ninth consecutive game on June 17, the longest such streak by a 2026 rookie and the third-longest by a Liberty rookie all-time. Astier put up 17 points, five assists and four rebounds on 80 percent (4-for-5) shooting in 21 minutes off the bench on June 21 at Los Angeles, becoming the first rookie in WNBA history to record such a stat line off the bench in a single game and the first player all-time to do so in less than 25 minutes. She recorded a career-high three steals while dishing out five assists on June 25 at Seattle.

RECORD-SETTING RETURN

In her first game back from a seven-game absence, **Sabrina Ionescu** grabbed the 1,000th rebound of her career on June 14 to become the fastest player in WNBA history to reach 3,000 points, 1,000 rebounds and 1,000 assists. Ionescu hit the mark in her 183rd career game, 60 games faster than the next-quickest player, Jackie Young (243).

DOMINANT DUO DELIVERS DOUBLE-DOUBLES

Jonquel Jones and **Breanna Stewart** each recorded a double-double on June 19 for the 10th time in the same game as teammates, the most by any Liberty duo all-time and tied for the second-most by any pair of teammates in WNBA history. On June 11, Jones and Stewart also became the second pair of teammates in WNBA history to each record 15 points, 10 rebounds and five assists in a single game, and the first since 2000.

STEWART STUFFING THE STAT SHEET

Breanna Stewart posted 16 points, 10 rebounds and a season-high six assists to go with one steal and a pair of blocks on June 19, extending her own franchise record to six straight games with at least 14 points, six rebounds and three stocks (steals + blocks) from June 6 to June 19. This was her seventh game with at least 15 points, 10 rebounds, five assists and two blocks in a Liberty uniform, and no other Liberty player has done so more than once. Stewart and A'ja Wilson are the only players this season with multiple games of at least 20 points and three blocks.

CLUTCH WIN IN CHICAGO

Sabrina Ionescu hit a game-winner with 10.3 seconds left to lift New York to a 96-95 win at Chicago on June 17 for the team's largest comeback of the season after trailing by 15. It was the Liberty's first road comeback from a 15-point deficit since Game 3 of the 2024 WNBA Finals, with Ionescu hitting game-winners in both contests. The win extended New York's streak to eight games, matching the fourth-longest in franchise history.

LIBERTY DEFENSE LOCKS UP MYSTICS

In an 86-64 win on June 14, the Liberty held the Mystics to a season-low 64 points on 33.8 percent shooting, the lowest field-goal percentage by any New York opponent this season. New York set a season high of 10 blocks and matched a season high with nine steals, just the second time in franchise history the team recorded 10 blocks and nine steals in a game. All 11 Liberty players to check in scored at least four points, the first time in franchise history that 11 different players reached four points each in a single game.

STEWIE CELEBRATES ELLIE'S BIRTHDAY WITH A BLOCK PARTY

Breanna Stewart recorded her 100th career double-double on June 14 against Washington, finishing with 14 points, 12 rebounds and a career-high seven blocks to become the first player since 2024 to record at least seven blocks in a game. Stewart accumulated 11 points, 10 rebounds and five blocks before halftime alone, becoming the second player in WNBA history to post that line in any half. It was her third game with at least five blocks in a Liberty uniform, passing Kiah Stokes and Amanda Zahui B. for the most such games in franchise history.

SATOU'S SHOOTING SURGE

Satou Sabally led the Liberty's reserves with 19 points on June 11, connecting on 83.3 percent (5-for-6) of her looks from beyond the arc in 17 minutes. This was Sabally's first career game with at least five made triples while shooting at least 80 percent from deep. Sabally scored 17 points off the bench at Chicago on June 17 while shooting 72.7 percent (8-for-11) from the field to reach 100 points in a Liberty uniform.

RELENTLESS REBOUNDING

After grabbing a season-high 47 rebounds against Indiana, the Liberty out-rebounded the Dream 40-24 on June 11, the largest rebounding margin by an Atlanta opponent since 2021. New York recorded at least 40 rebounds on the fifth consecutive game to tie the longest streak of games with at least 40 rebounds in franchise history. **Breanna Stewart** (T-7th, 8.8) and **Jonquel Jones** (T-7th, 8.8) both rank in the top-10 among WNBA rebounders in 2026.

JJ DOMINATING ON THE BOARDS

Jonquel Jones put up 22 points and 17 rebounds on June 3, including a double-double before halftime for the first time in her Liberty regular-season career. Jones became the first player in WNBA history to record 17 rebounds and four 3-pointers made in a single game. She grabbed 12 rebounds on June 6 while tying her career high for rebounds in a quarter with eight in the fourth to become the first player in Liberty franchise history to record consecutive games with an eight-rebound quarter. She also reached 1,000 rebounds with the Liberty on May 27 to become the second-fastest player in franchise history to reach that mark (118 games). Jones made at least three 3-pointers with 15 points and a block in three straight games (June 11-June 17), matching the longest such streak in WNBA history.

BALANCED SCORING ATTACK AGAINST ATLANTA

New York earned a 104-90 road win over the Dream on June 11 as five Liberty players scored at least 16 points for the first time in franchise history, and the fifth time in WNBA history. The Liberty connected on a season-high 16 3-pointers in Atlanta and shot 51.6 percent (16-for-31) from deep, the fourth time in franchise history and 10th time in WNBA history that a team shot better than 50 percent on at least 30 attempts from 3-point territory in a game. The Liberty shot 83.3 percent (10-for-12) from the field in the second quarter, New York's highest field-goal percentage in any quarter since 2023. New York's 104 points also marked the highest-scoring game by a Dream opponent this season and the first 100-point game by any team against Atlanta since the 2024 season.

STEWIE OFF TO AN ELITE START

Breanna Stewart became the first player in the WNBA to win multiple Player of the Week awards in 2026 after receiving her second Eastern Conference Player of the Week honor of the season for games played from Monday, June 1 to Sunday, June 7. This was the 20th weekly honor of her career and the 10th of her Liberty tenure, making her the third Liberty player in franchise history to win 10 Player of the Week awards and the third in WNBA history to win 10 Player of the Week awards each with multiple teams. Stewart led New York to a 2-0 record in Week 4, leading the conference in scoring at 24.5 points per game while adding 8.5 rebounds, 3.0 assists and 2.0 steals per game.

PAULINE POPS OFF

Pauline Astier led the Liberty on May 29 against Phoenix, posting 16 points, six assists and a career-high six rebounds with a 75 percent field-goal percentage. Astier is the third rookie in WNBA history to record at least 12 points, six rebounds and six assists while shooting 75 percent from the field and finishing with two or fewer turnovers in a single game, and both previous players to do so went on to win Rookie of the Year. Astier recorded a 65.8 percent effective field-goal percentage through her first 10 games to join **Breanna Stewart** and Aliyah Boston as the only rookies in the last 20 years with an eFG% of at least 65% in any 10-game span. Astier finished with 16 points, five assists and a career-high eight rebounds on June 11 at Atlanta. Astier put up nine points, seven rebounds and three assists in the first half alone to become the first rookie in franchise history to record such a stat line in a single half, and the first WNBA rookie to do so since Caitlin Clark in 2024.

LIBERTY RESERVES STEP UP IN WIN OVER SUN

In New York's 89-80 win over Connecticut on June 8, **Han Xu** made her first career WNBA start and **Raquel Carrera** scored her first WNBA points. Han reached 400 career points against the Sun, finishing with 14 points, six rebounds, two assists and two blocks, her first time recording such a stat line in a game. Carrera finished with seven points, five rebounds and a block, becoming the second 2026 rookie with five rebounds and a block before halftime in a game.

GLOBAL GAME

A WNBA-record 11 international players have suited up for the Liberty so far in 2026.

LIBERTY DEFENSE LOCKS DOWN MERCURY WITH HISTORIC RUN

The Liberty went on a 23-0 run to end the third quarter on May 27 against the Mercury, the longest scoring run in franchise history. New York's defense held Phoenix scoreless over the final six minutes of the third quarter, the longest scoreless stretch by a Liberty opponent to end a quarter since 2016.

CLUTCH-TIME LEO

Since the start of the 2024 season, Leonie Fiebich leads the WNBA with an 83.3 percent (15-for-18) field-goal percentage on attempts with under five minutes remaining in the fourth quarter or overtime with a scoring margin within 5 points, nearly 20 percentage points above second place, per Genius Sports (min. 10 attempts).

HISTORIC START FOR LIBERTY OFFENSE

New York dished out 32 assists on May 14 at Portland, tied for the third-highest single-game assists total in franchise history, and became the first team in franchise history to shoot over 50 percent from the field through the first four games of a season (50.9 percent). The Liberty also scored 61 points in the second half at Portland to become the second team in WNBA history to begin a season with a 50-point half in each of the first four games. The 2026 Liberty became the first team in WNBA history to average at least 100 points per contest through the first four games of a season, and the first to open a season with four consecutive games of at least 95 points. The Liberty set WNBA records for eFG% (59.3%) and true shooting percentage (62.4%) through the first five games of a season.

SABALLY SIGHTING

Three-time WNBA All-Star **Satou Sabally** made her Liberty debut on May 21 after signing a multi-year contract with New York this offseason. Sabally earned 2023 All-WNBA First Team honors and was named the 2023 Most Improved Player after averaging a career-high 18.6 points, 8.1 rebounds and 1.8 steals per game and dishing out 4.4 assists per contest to join Candace Parker as the only players in league history to record such a stat line in a season. With the addition of Sabally alongside **Breanna Stewart** and **Jonquel Jones**, the Liberty become the first team in WNBA history with three players listed at 6-4 or taller who all have been named to an All-WNBA First Team.

THE BIG THREE IS BACK

Breanna Stewart, **Jonquel Jones** and **Sabrina Ionescu** look to build on an unprecedented run of success after becoming the first group of three teammates in Liberty franchise history to earn All-WNBA Team honors in the same season in 2024. In 1,740 regular season minutes with Ionescu, Jones and Stewart all on the court from 2023-2025, the Liberty recorded a +16.8 net rating, and New York posted a 70-17 record (80.5 percent) in games with all three stars in the starting lineup, the best winning percentage by any trio with at least 50 starts together since at least 2002.

PAULINE ON THE SCENE

Rookie guard **Pauline Astier** made her WNBA debut against Connecticut on May 8 before breaking out on May 10 against Washington with 18 points, seven assists, five rebounds and two steals on 60 percent shooting from the field to join Candace Parker and Paige Bueckers as the only rookies in WNBA history to post such a stat line.

Astier put up a career-high 24 points on 71.4 percent (10-for-14) shooting from the field and 66.7 percent (2-for-3) shooting from the field May 13 at Portland. Astier became the fifth rookie in WNBA history to average 15 points, four rebounds and four assists in their first three games, and was the only one to do so while shooting 50 percent from the field (64.3%). She joined Aliyah Boston as the only rookies in the past 20 seasons to total 60 points while shooting 60 percent from the field through four career games. Astier also became the first rookie in WNBA history to shoot 60 percent from the field on more than 40 attempts through five career games.

The 2026 season marks the 30th anniversary of the Liberty as one of the WNBA's three remaining original franchises. The organization is bringing the historic campaign to life by celebrating the trailblazers, moments, and community that have defined the organization since 1997.

Throughout the season, the Liberty are celebrating the franchise's legacy with commemorative merchandise, in-arena giveaways, community events, theme nights, and original storytelling that highlight the special people and moments that have defined the Liberty's journey. New York will honor the legendary Liberty players who made significant contributions to the Liberty's tradition of excellence and played pivotal roles in some of the most memorable moments and seasons in the franchise's 30-year history.

Anchored by a "30 Seasons" throwback-inspired logo, the campaign's visual identity blends the franchise's earliest influences with a modernized aesthetic. The bold "30" symbolizes three decades of continuity and strength, incorporating the original orange torch from the Liberty's original Lady Liberty primary logo, representing both the origins of the franchise and the energy that continues to drive it forward. Angular crown details, accented with the team's original blue colorway, pay homage to the Liberty's foundational era and trailblazing spirit since 1997. A star set on the finger of the torch-bearing fist stands as a symbol of the Liberty's 2024 WNBA Championship, capturing a defining moment in franchise history. Completed with a contemporary color palette and dimensional accents, the logo blends retro inspiration with modern design, capturing the movement of the city and the momentum of the team today.

The "30 Seasons" mark appears across merchandise, in-arena branding, digital platforms, and storytelling moments, serving as a unifying symbol that connects generations of players and fans through a shared past and a collective future.

AFRICAN AMERICAN POLICY FORUM

The New York Liberty's charitable organization of choice for the 2026 WNBA Commissioner's Cup is the **African American Policy Forum** (AAPF). The AAPF is an "innovative think tank that connects academics, activists and policymakers to promote efforts to dismantle structural inequality." The forum is dedicated to the advancement of human rights across the world, with a goal of using different ideas and perspectives to move society closer to a racial justice that embraces intersectionality.

Many of the AAPF's initiatives are centered around the inequalities that Black women suffer, such as the #SayHerName campaign, an initiative that focuses on promoting justice for Black women wrongfully killed by law enforcement. The Liberty had direct involvement with the #SayHerName campaign, as well as the WNBA's 2020 dedication to Breonna Taylor, a movement that the AAPF led.

The WNBA worked in partnership with the AAPF back in 2020 to shed light on the policy issues contributing to police brutality and racial violence and connected with the families of female victims to elevate their stories. Several members from the AAPF have worked with the WNBA before, such as co-founder, executive director and social justice pioneer Kimberlé Crenshaw, who advised the WNBA's Social Justice Council.

Both The AAPF and the Liberty have spent decades promoting visibility, justice, and leadership for Black women. The partnership between the two reflects a shared history of advocacy and lasting influence, as well as a continued commitment to meaningful change as both organizations mark 30 years of impact.

The New York Liberty will host the Las Vegas Aces at Barclays Center on June 30 for the WNBA Commissioner's Cup Championship game. This is the Liberty's third Commissioner's Cup Championship game appearance in four years after going undefeated in play, 6-0. New York has raised \$18,000 for the AAPF so far and has accrued a total +69-point differential from their wins over Chicago, Washington, Atlanta, Connecticut, Indiana and Toronto.

BROOKLYN BASKETBALL

Brooklyn Basketball opened the 18,600 sq. ft. Brooklyn Basketball Training Center in September of 2025 and since then, the initiative has continued to grow and expand their reach across New York.

This marks the third year of the partnership between Brooklyn Basketball and the NYC Department of Education on an innovative program that gives elementary and middle school students access to free, in-school basketball clinics. This year alone, the program has reached over 23,000 youth across 170 schools and is on track to exceed 35,000 students by the end of 2026. In addition to schools, Brooklyn Basketball has partnered with organizations like the YMCA and Boys & Girls Clubs to bring community-based clinics to neighborhoods across Brooklyn, making the game more accessible.

Brooklyn Basketball also brings schools to the Brooklyn Basketball Training Center for programs during the school day. To date, the training center has hosted over 1,600 students from 24 schools, many of whom do not have their own facilities, for on-site experiences. The center has also hosted after-school programs, weekend training, camps, all-girls programs and other activations, while making space for students to finish homework and address other needs before and after training.

The multi-court youth basketball training facility is the first in the tri-state area to use Shoot 360 technology. Shoot 360, a leader in basketball innovation and skill development, uses advanced ball detection technology that is leveraged by teams across the WNBA and NBA, and now by the training center as well. The technology utilizes interactive features and physical activity to measure participants' skillset and analyzes performance data for suggestions on how participants can improve their game. Empowering youth with this technology aligns directly with Brooklyn Basketball's mission to deliver high-quality, inclusive, and accessible basketball programming.

The Brooklyn Basketball Training Center is right across the street from Barclays Center on Flatbush Avenue, providing the Liberty and the Nets a unique opportunity to impact children, families, schools and programs across New York.

CHRIS DEMARCO

NEW YORK LIBERTY HEAD COACH
1ST SEASON WITH NEW YORK | 1ST SEASON IN WNBA

Four-time NBA Champion Chris DeMarco was named the 10th head coach in New York Liberty franchise history on December 3, 2025. DeMarco arrives in Brooklyn following 14 seasons with the Golden State Warriors, where he won NBA titles in 2015, 2017, 2018, and 2022. He joined Golden State under Mark Jackson in 2012 and was retained by Steve Kerr, working across player development, assistant coaching, and defensive roles during the Warriors' championship era.

In Golden State, DeMarco played a pivotal role on Steve Kerr's coaching staff, largely focusing on the team's individual skill development and systems, that ultimately culminated in one of the most successful dynasties in modern basketball history. During DeMarco's tenure, Golden State's defense held opponents to the league's second-lowest shot quality over the past 10 seasons (49.9% qSQ), per Second Spectrum. The Warriors also led the league in net rating three times during that span and won an NBA single-season record 73 games in the 2015-16 season.

In addition to his NBA success, DeMarco has served as head coach of the Bahamas Men's National Team since 2019. Under his leadership, the team achieved its most significant victory in program history, defeating host Argentina in the 2024 Olympic Pre-Qualifying Tournament final. He has also been a featured coach at Basketball Without Borders (BWB) Americas, mentoring top international prospects and advancing the game globally.

The 2026 campaign is DeMarco's first as a WNBA head coach after beginning his professional career with the Warriors in video and scouting before advancing to Director of Player Development and ultimately serving as an assistant coach.
