Han Xu averaged 18.8 points and 10.8 rebounds to lead China in both categories and rank second among all players in Berlin, becoming the first player to average more than 18.5 points and 10 rebounds per game at a World Cup since Haixia Zheng did so for China in 1994.

The 2026 season marks the 30th anniversary of the Liberty as one of the WNBA's three remaining original franchises. The organization is bringing the historic campaign to life by celebrating the trailblazers, moments, and community that have defined the organization since 1997.

Throughout the season, the Liberty are celebrating the franchise's legacy with commemorative merchandise, in-arena giveaways, community events, theme nights, and original storytelling that highlight the special people and moments that have defined the Liberty's journey. New York will honor the legendary Liberty players who made significant contributions to the Liberty's tradition of excellence and played pivotal roles in some of the most memorable moments and seasons in the franchise's 30-year history.

Anchored by a "30 Seasons" throwback-inspired logo, the campaign's visual identity blends the franchise's earliest influences with a modernized aesthetic. The bold "30" symbolizes three decades of continuity and strength, incorporating the original orange torch from the Liberty's original Lady Liberty primary logo, representing both the origins of the franchise and the energy that continues to drive it forward. Angular crown details, accented with the team's original blue colorway, pay homage to the Liberty's foundational era and trailblazing spirit since 1997. A star set on the finger of the torch-bearing fist stands as a symbol of the Liberty's 2024 WNBA Championship, capturing a defining moment in franchise history. Completed with a contemporary color palette and dimensional accents, the logo blends retro inspiration with modern design, capturing the movement of the city and the momentum of the team today.

The "30 Seasons" mark appears across merchandise, in-arena branding, digital platforms, and storytelling moments, serving as a unifying symbol that connects generations of players and fans through a shared past and a collective future.

BROOKLYN BASKETBALL

Brooklyn Basketball opened the 18,600 sq. ft. Brooklyn Basketball Training Center in September of 2025 and since then, the initiative has continued to grow and expand their reach across New York.

This marks the third year of the partnership between Brooklyn Basketball and the NYC Department of Education on an innovative program that gives elementary and middle school students access to free, in-school basketball clinics. This year alone, the program has reached over 23,000 youth across 170 schools and is on track to exceed 35,000 students by the end of 2026. In addition to schools, Brooklyn Basketball has partnered with organizations like the YMCA and Boys & Girls Clubs to bring community-based clinics to neighborhoods across Brooklyn, making the game more accessible.

Brooklyn Basketball also brings schools to the Brooklyn Basketball Training Center for programs during the school day. To date, the training center has hosted over 1,600 students from 24 schools, many of whom do not have their own facilities, for on-site experiences. The center has also hosted after-school programs, weekend training, camps, all-girls programs and other activations, while making space for students to finish homework and address other needs before and after training.

The multi-court youth basketball training facility is the first in the tri-state area to use Shoot 360 technology. Shoot 360, a leader in basketball innovation and skill development, uses advanced ball detection technology that is leveraged by teams across the WNBA and NBA, and now by the training center as well. The technology utilizes interactive features and physical activity to measure participants' skillset and analyzes performance data for suggestions on how participants can improve their game. Empowering youth with this technology aligns directly with Brooklyn Basketball's mission to deliver high-quality, inclusive, and accessible basketball programming.

The Brooklyn Basketball Training Center is right across the street from Barclays Center on Flatbush Avenue, providing the Liberty and the Nets a unique opportunity to impact children, families, schools and programs across New York.

CHRIS DEMARCO

NEW YORK LIBERTY HEAD COACH
1ST SEASON WITH NEW YORK | 1ST SEASON IN WNBA

Four-time NBA Champion Chris DeMarco was named the 10th head coach in New York Liberty franchise history on December 3, 2025. DeMarco arrives in Brooklyn following 14 seasons with the Golden State Warriors, where he won NBA titles in 2015, 2017, 2018, and 2022. He joined Golden State under Mark Jackson in 2012 and was retained by Steve Kerr, working across player development, assistant coaching, and defensive roles during the Warriors' championship era.

In Golden State, DeMarco played a pivotal role on Steve Kerr's coaching staff, largely focusing on the team's individual skill development and systems, that ultimately culminated in one of the most successful dynasties in modern basketball history. During DeMarco's tenure, Golden State's defense held opponents to the league's second-lowest shot quality over the past 10 seasons (49.9% qSQ), per Second Spectrum. The Warriors also led the league in net rating three times during that span and won an NBA single-season record 73 games in the 2015-16 season.

In addition to his NBA success, DeMarco has served as head coach of the Bahamas Men's National Team since 2019. Under his leadership, the team achieved its most significant victory in program history, defeating host Argentina in the 2024 Olympic Pre-Qualifying Tournament final. He has also been a featured coach at Basketball Without Borders (BWB) Americas, mentoring top international prospects and advancing the game globally.

The 2026 campaign is DeMarco's first as a WNBA head coach after beginning his professional career with the Warriors in video and scouting before advancing to Director of Player Development and ultimately serving as an assistant coach.
