QUICK HITS

The Liberty return home trailing 2-0 in their Semifinals series against Atlanta after a 101-98 overtime loss in Game 2 on Oct. 7.

Breanna Stewart became the first player in WNBA postseason history to record at least 35 points, 10 rebounds and five assists in a game, finishing Game 2 with 35 points, 11 rebounds and six assists.

Stewart's 109 points are the most by a Liberty player through the first four games of a postseason and she also became the fourth player in WNBA history to score at least 34 points in multiple games within a single postseason.

Jonquel Jones blocked four shots before halftime in Game 2 after a franchise-record five blocks in the fourth quarter of Game 1. She became the first Liberty player to record consecutive playoff games with at least four blocks, and the first player since Brittney Griner in 2015 to post at least four blocks in consecutive playoff halves.

Marine Fauthoux scored a career-high 20 points on 8-for-10 shooting off the bench in Game 2 while joining Crystal Robinson (1999), Kiah Stokes (2015) and Leonie Fiebich (2024) as the only rookies in franchise history to score 20 points in a playoff game.

Fauthoux's 3-pointer with 10.3 seconds left in regulation forced overtime as she became the third rookie in WNBA postseason history to hit a go-ahead or game-tying shot in the final 11 seconds of regulation or overtime.

Stewart, Jones and Fauthoux each scored at least 20 points on Oct. 7, the second time in franchise postseason history that three Liberty players have done so in a playoff game.

New York's 98 points in Game 2 tied the franchise record for a postseason game. Its 54 first-half points matched the franchise mark for a postseason half, and its 66.7 percent shooting before the break was the highest by any team in a postseason half since 2022.

The Liberty led the Lynx for 92.7 percent of their first-round series, the second-highest share of time leading in a multi-game playoff series in franchise history.

Stewart became the first player in league history to post 30 points, 10 rebounds, five assists and two steals in a playoff game with her 34-point, 12-rebound effort on Sept. 27.

FAUTHOUX FORCES OVERTIME

Marine Fauthoux came off the bench to score a career-high 20 points on 80 percent (8-for-10) shooting from the field and 66.7 percent (4-for-6) from beyond the arc in Game 2 on Oct. 7, topping the 14 she scored against Atlanta in the regular-season finale on Sept. 23. She added career postseason highs of six rebounds, four assists and two steals. Fauthoux became the fourth rookie in franchise history to score at least 20 points in a playoff game, joining Crystal Robinson (1999), Kiah Stokes (2015) and **Leonie Fiebich** (2024). She also joined Tamika Catchings (2002) as the only rookies in WNBA postseason history to record at least 17 points, six rebounds, three 3-pointers and two steals in a playoff game. She is just the third player in league history to score 20 or more points on at least 80 percent shooting while taking five or more 3-point attempts in a playoff game.

Fauthoux scored 15 of her points after halftime, and her 3-pointer with 10.3 seconds left in regulation forced overtime at 88-88. She became the third rookie in WNBA postseason history to make a go-ahead or game-tying shot in the final 11 seconds of regulation or overtime, joining Brittney Griner (2013) and Nikki Teasley (2002).

MORE HISTORY FOR STEWART

Breanna Stewart became the first player in WNBA postseason history to record at least 35 points, 10 rebounds and five assists in a game, finishing Game 2 on Oct. 7 with 35 points, 11 rebounds, six assists and two blocks in 43 minutes. She scored 25 points in the first half, including 15 in the first quarter, the highest-scoring first quarter by any player this postseason and tied for the highest-scoring quarter of her postseason career. Stewart became the fourth player in WNBA postseason history to score 15 points in a quarter multiple times, joining Candace Parker, Angel McCoughtry and Seimone Augustus. Her 109 points are the most by a Liberty player through the first four games of a postseason, surpassing Cappie Pondexter's 106 in 2010.

FIRST-HALF FIREWORKS

New York shot 66.7 percent (18-for-27) from the field in the first half of Game 2 on Oct. 7, the highest field-goal percentage by any team in a postseason half since 2022, and its 54 first-half points tied the franchise record for a postseason half. The Liberty finished with 98 points to tie the franchise record for a postseason game. Stewart, Jones and Fauthoux each scored at least 20, the second time in franchise postseason history that three Liberty players have done so in a playoff game. New York also held Atlanta to 13 points on 21.1 percent (4-for-19) shooting in the fourth quarter, the fewest by a Liberty opponent in any quarter this postseason.

JJ'S FOURTH-QUARTER BLOCK PARTY

Jonquel Jones posted a double-double of 12 points and 11 rebounds with four assists and a playoff career-high five blocks in Game 1 on Oct. 4, matching the franchise record for blocks by a player in a postseason game. All five came in the fourth quarter as Jones became the third player in WNBA postseason history to block five shots in a single quarter. She also joined Candace Parker as the only players in WNBA postseason history to record a double-double with at least five blocks and multiple made 3-pointers. One game later, Jones added four blocks before halftime in Game 2 to become the first Liberty player with consecutive playoff games of at least four blocks each, and the first WNBA player since Brittney Griner in 2015 to post at least four blocks in consecutive playoff halves.

STEWART'S STOCKS ON THE RISE

Breanna Stewart finished with 19 points, three assists, three steals and three blocks in Game 1, the first player in Liberty postseason history to post at least three steals and three blocks. She became the first player in league history to open a postseason with three straight games of at least two steals and two blocks. Her 14 combined steals and blocks through three games set a franchise record for the start of a postseason, surpassing Janel McCarville's 13 in 2008. Stewart blocked two shots in Game 2 to become the first Liberty player to reach 50 postseason blocks.

FLIPPING THE SCRIPT

New York completed a sweep of top-seeded Minnesota with an 87-71 win in Game 2 on Sept. 29, becoming the first No. 8 seed in WNBA history to eliminate a No. 1 seed in a playoff series. The Liberty took Game 1 in Minneapolis 91-75 on Sept. 27 to become the first No. 8 seed to win any playoff game against a No. 1 seed. They led the Lynx for 92.7 percent of the series, the second-highest share of time leading in a multi-game playoff series in franchise history and the 10th-highest in WNBA postseason history.

BIG GAME FOR BIG THREE

Breanna Stewart, **Sabrina Ionescu** and **Jonquel Jones** combined to score or assist on 70 points in Game 2 against Minnesota, nearly matching the Lynx's entire scoring output of 71.

HISTORIC HOT START

The Liberty went on a 15-0 run from 8:08 to 6:21 in the first quarter of Game 1, marking the first time in WNBA history a team has recorded a 15-0 run in the opening quarter of its first game of a postseason, per Elias Sports Bureau.

LIBERTY CATCH FIRE FROM DEEP IN WIN OVER LYNX

New York made 13 3-pointers in Game 1 to match the franchise record for a playoff game, and its 52.0 percent (13-for-25) mark from beyond the arc was the best by the Liberty in any playoff game with at least 20 attempts.

STEWART SOARS TO HELP LIBERTY PULL AWAY

Breanna Stewart became the first player in WNBA history to post at least 30 points, 10 rebounds, five assists and two steals in a playoff game, finishing Game 1 with 34 points and 12 rebounds on 61.1 percent (11-for-18) shooting to go with six assists, two steals and two blocks. It was the second 30-point, 10-rebound game in Liberty postseason history, with Stewart accounting for both, and she ranks second in league history with three career 30-point double-doubles in the postseason. Stewart's 34 points matched her highest playoff scoring total since joining the Liberty, and she passed Seimone Augustus (362) for seventh on the WNBA's all-time postseason field goals list. Her 55 points across the two games of the first round marked her highest-scoring two-game playoff stretch since joining New York and the third-highest total by a Liberty player over two consecutive playoff games in franchise history.

LEO'S LEAGUE FIRST

Leonie Fiebich became the first player in WNBA history to record at least 15 points, eight rebounds and three assists while shooting 85 percent from the field in a playoff game, finishing Game 1 with 16 points on 6-for-7 shooting, four 3-pointers and a playoff career-high eight rebounds. Fiebich scored her 150th career postseason point and her three 3-pointers on 60 percent (3-for-5) shooting in Game 1 on Oct. 4 moved her into sole possession of the fourth-most made 3-pointers in Liberty postseason history (36).

PAULINE'S PLAYOFF DEBUT

Pauline Astier became the first player in league history to record at least five points, three rebounds and three assists in the first quarter of her playoff debut, finishing Game 1 with seven points, eight rebounds and five assists in 29 minutes. She is the sixth player in WNBA history to record at least eight rebounds and five assists in her first career playoff game. She joined Dominique Malonga and Shakira Austin as the only rookies in the last 10 seasons to total at least 12 rebounds in their first two playoff games, and joined Kiah Stokes as the only Liberty players with five or more rebounds in each of their first three playoff games as a rookie.

STEWIE SHOWS OUT FOR PLAYOFFS

Breanna Stewart has averaged 22.3 points per game throughout her playoff career, the second-highest scoring average by any player in postseason history. She passed Maya Moore (1,077) for the sixth-most points in WNBA postseason history on Oct. 4 and moved past Alyssa Thomas (379) and Moore for the fifth-most made field goals. On Oct. 7 she passed Sylvia Fowles (426) for the 10th-most rebounds in WNBA postseason history.

RELENTLESS REBOUNDERS

Jonquel Jones and **Breanna Stewart** are the only players in WNBA history to reach double figures for rebounds in at least 10 playoff games with multiple franchises. Jones (16) and Stewart (13) rank first and second in double-digit rebounding games in franchise postseason history, with no other player doing so in more than five games. Jones has recorded at least five rebounds in 54 consecutive playoff games, the longest such streak in WNBA postseason history by more than 10 games.

PLAYOFF EFFICIENCY

Leonie Fiebich has recorded a 67.6 percent true shooting percentage through her first 18 playoff games, the highest efficiency by any player with at least 60 postseason field-goal attempts. Fiebich also holds a career 46.8 percent three-point percentage in the postseason, the highest in WNBA history by a player with at least 60 attempts.

SAB SHINES IN BIG MOMENTS

Sabrina Ionescu has knocked down at least one 3-pointer in 31 of her 32 career postseason games, the highest rate by any player in WNBA history with at least 15 career playoff games played. Ionescu is also the Liberty's all-time leader in postseason 3-pointers (82). Ionescu is one of two players in WNBA history to average at least 2.5 three-pointers per game in the postseason (min. 10 playoff games), along with Diana Taurasi. She led New York with 27 points in Game 1 for her third postseason 25-point game with the Liberty, tying Cappie Pondexter for the second-most in franchise history, and made at least three 3-pointers for the third straight game to open the playoffs, joining Taurasi as the only players in WNBA history to do so in multiple postseasons.

Ionescu reached 150 career postseason assists in her 30th playoff game, tied with Ticha Penicheiro for the fifth-fastest in WNBA history. In that same game she became the first Liberty player to make 75 postseason 3-pointers, the second-fastest to the mark in WNBA postseason history. She also passed Vickie Johnson (156) for the second-most field goals in Liberty postseason history.

FINISHING STRONG

Since the WNBA expanded to a 40-game season in 2023, each of the last three WNBA champions have ranked top-6 in both offensive and defensive rating over the final 15 games of the regular season. The Liberty, Dream and Aces were the only teams to do so in the final 15 games of 2026.

DREAM MATCHUP

New York and Atlanta met three times in the regular season. The Liberty won 104-90 at Atlanta on June 11. The Dream then took both games of a two-game set at Barclays Center, winning 95-84 on Sept. 21 and 83-65 in the regular-season finale on Sept. 23.

BALANCED WIN IN ATLANTA

Five Liberty players scored at least 16 points in the 104-90 win in Atlanta on June 11, a first in franchise history and just the fifth time any team has done so in WNBA history. New York made a season-high 16 3-pointers and out-rebounded the Dream 40-24, the largest rebounding margin by an Atlanta opponent since 2021. It was also the first 100-point game by any team against Atlanta since the 2024 season.

DOUBLE TROUBLE

Breanna Stewart and **Jonquel Jones** averaged 12.5 and 12.0 rebounds per game against the Dream in the 2026 regular season, the top two marks by any player against Atlanta this year. NEW YORK MAKES HISTORY AT THE FIBA WORLD CUP

The Liberty were the league's most represented team at the 2026 FIBA Women's World Cup in Berlin, sending seven players and placing a player on each of the four semifinalists (France, Spain, Germany and Team USA), marking the first time a WNBA team has been represented on all four World Cup semifinal teams.

STEWIE WINS GOLD WITH TEAM USA

Breanna Stewart won her fourth consecutive gold medal with Team USA, tying Sue Bird for the most all-time, while leading the Americans in both points (12.8) and rebounds (7.3) per game and shooting 55.8 percent from the field across six contests. She was named Women's World Cup MVP for the second time, making her the only two-time MVP in men's or women's FIBA World Cup history, and earned All-Star 5 honors for the third straight World Cup, the first

player to do so in Women's World Cup history. Stewart passed Cheryl Miller (264) for fifth on Team USA's all-time World Cup scoring list and is now the only player in Team USA history ranked in the top five for career points, rebounds and assists at the World Cup.

HAN LEADS THE CHARGE FOR CHINA

Han Xu led China in scoring (18.8) and rebounding (10.8) and finished second among all players in Berlin in both categories, becoming the first player to average more than 18.5 points and 10 rebounds per game at a World Cup since Haixia Zheng did so for China in 1994. Han earned All-Second Team honors and was the only player in the tournament to shoot better than 50 percent from deep on more than 2.0 attempts per game.

LIBERTY DOMINATE IN GERMANY

Leonie Fiebich led Germany to its first World Cup semifinal appearance with 9.9 points, a team-high 8.6 rebounds and 3.6 assists per game and became the first German player in World Cup history to earn All-Star 5 honors. Marine Johannès helped France to its first World Cup silver medal and its first podium finish since 1953, leading all players in Berlin with 20 3-pointers. Raquel Carrera averaged 8.0 points and 5.7 rebounds as Spain claimed the bronze medal, while Pauline Astier and Elizabeth Balogun each made their World Cup debuts.

The 2026 season marks the 30th anniversary of the Liberty as one of the WNBA's three remaining original franchises. The organization is bringing the historic campaign to life by celebrating the trailblazers, moments, and community that have defined the organization since 1997.

Throughout the season, the Liberty are celebrating the franchise's legacy with commemorative merchandise, in-arena giveaways, community events, theme nights, and original storytelling that highlight the special people and moments that have defined the Liberty's journey. New York will honor the legendary Liberty players who made significant contributions to the Liberty's tradition of excellence and played pivotal roles in some of the most memorable moments and seasons in the franchise's 30-year history.

Anchored by a "30 Seasons" throwback-inspired logo, the campaign's visual identity blends the franchise's earliest influences with a modernized aesthetic. The bold "30" symbolizes three decades of continuity and strength, incorporating the original orange torch from the Liberty's original Lady Liberty primary logo, representing both the origins of the franchise and the energy that continues to drive it forward. Angular crown details, accented with the team's original blue colorway, pay homage to the Liberty's foundational era and trailblazing spirit since 1997. A star set on the finger of the torch-bearing fist stands as a symbol of the Liberty's 2024 WNBA Championship, capturing a defining moment in franchise history. Completed with a contemporary color palette and dimensional accents, the logo blends retro inspiration with modern design, capturing the movement of the city and the momentum of the team today.

The "30 Seasons" mark appears across merchandise, in-arena branding, digital platforms, and storytelling moments, serving as a unifying symbol that connects generations of players and fans through a shared past and a collective future.

BROOKLYN BASKETBALL

Brooklyn Basketball opened the 18,600 sq. ft. Brooklyn Basketball Training Center in September of 2025 and since then, the initiative has continued to grow and expand their reach across New York.

This marks the third year of the partnership between Brooklyn Basketball and the NYC Department of Education on an innovative program that gives elementary and middle school students access to free, in-school basketball clinics. This year alone, the program has reached over 23,000 youth across 170 schools and is on track to exceed 35,000 students by the end of 2026. In addition to schools, Brooklyn Basketball has partnered with organizations like the YMCA and Boys & Girls Clubs to bring community-based clinics to neighborhoods across Brooklyn, making the game more accessible.

Brooklyn Basketball also brings schools to the Brooklyn Basketball Training Center for programs during the school day. To date, the training center has hosted over 1,600 students from 24 schools, many of whom do not have their own facilities, for on-site experiences. The center has also hosted after-school programs, weekend training, camps, all-girls programs and other activations, while making space for students to finish homework and address other needs before and after training.

The multi-court youth basketball training facility is the first in the tri-state area to use Shoot 360 technology. Shoot 360, a leader in basketball innovation and skill development, uses advanced ball detection technology that is leveraged by teams across the WNBA and NBA, and now by the training center as well. The technology utilizes interactive features and physical activity to measure participants' skillset and analyzes performance data for suggestions on how participants can improve their game. Empowering youth with this technology aligns directly with Brooklyn Basketball's mission to deliver high-quality, inclusive, and accessible basketball programming.

The Brooklyn Basketball Training Center is right across the street from Barclays Center on Flatbush Avenue, providing the Liberty and the Nets a unique opportunity to impact children, families, schools and programs across New York.

CHRIS DEMARCO

NEW YORK LIBERTY HEAD COACH
1ST SEASON WITH NEW YORK | 1ST SEASON IN WNBA

Four-time NBA Champion Chris DeMarco was named the 10th head coach in New York Liberty franchise history on December 3, 2025. DeMarco arrives in Brooklyn following 14 seasons with the Golden State Warriors, where he won NBA titles in 2015, 2017, 2018, and 2022. He joined Golden State under Mark Jackson in 2012 and was retained by Steve Kerr, working across player development, assistant coaching, and defensive roles during the Warriors' championship era.

In Golden State, DeMarco played a pivotal role on Steve Kerr's coaching staff, largely focusing on the team's individual skill development and systems, that ultimately culminated in one of the most successful dynasties in modern basketball history. During DeMarco's tenure, Golden State's defense held opponents to the league's second-lowest shot quality over the past 10 seasons (49.9% qSQ), per Second Spectrum. The Warriors also led the league in net rating three times during that span and won an NBA single-season record 73 games in the 2015-16 season.

In addition to his NBA success, DeMarco has served as head coach of the Bahamas Men's National Team since 2019. Under his leadership, the team achieved its most significant victory in program history, defeating host Argentina in the 2024 Olympic Pre-Qualifying Tournament final. He has also been a featured coach at Basketball Without Borders (BWB) Americas, mentoring top international prospects and advancing the game globally.

The 2026 campaign is DeMarco's first as a WNBA head coach after beginning his professional career with the Warriors in video and scouting before advancing to Director of Player Development and ultimately serving as an assistant coach.
