

YOUR TICKET REQUIRES A NEGATIVE COVID TEST SCREENING

Please visit
www.impacthealth.com/mercury
to pre-register for your test and arrive
at your scheduled testing time.

Here's how to get to your test and find your seat:

- 1** Valet parking is located on 1st Street. This will also be your vehicle pickup location at the end of the game. Please have your mobile parking pass available in Account Manager to show the valet attendant as you arrive.
- 2** Please have your game tickets ready to scan as you approach the Pavilion entry and walk through security screening.
- 3** Head to Section 115 on the concourse for COVID testing; pre-registration is required and it is strongly recommended to arrive at your pre-scheduled testing time to avoid delays.
- 4** Once your test is complete, head down the stairwell at Section 114 towards the Ultra Club & Floor Suites.
- 5** As you arrive on Level 0, an attendant will direct you towards the Ultra Club. Please enjoy food & beverage within the club while you wait for your test results. (approx. 15 minutes)
- 6** Floor Suites may access the south hallway through the southern most door in the Ultra Club.
- 7** Show your negative test result to the Impact Health representative and receive a wristband to access the seating area.
