CONGRATULATIONS!

If you are reading this, it means that you have made the wise decision to cover a WNBA game featuring the two-time WNBA Champion Las Vegas Aces. Odds are, you are a member of one of the most prestigious media outlets in the nation, and a talented print, radio or television personality. Regardless of how these game notes came into your possession, welcome to year 8 of the Las Vegas Aces.

These Game Notes are designed to simplify your coverage of the Aces, but in a society that now likes to communicate in 140-280 characters or less and 30-second Tik Tok videos, even a modest-sized set of Game Notes like this one can be intimidating.

Over the rest of this page, we will walk you through the complexities of this document to further enhance your ability to cover the most entertaining team in the WNBA.

Before we begin, we want you to know that we've gone interactive with notes again this year. **Embedded links will take you to the interweb page that contains more information on each note or tidbit of information. Click through to your heart's content!**

Aces, Stars & Starzz Franchise History

For a robust franchise history, including yearly team recaps dating to 1997, the league's inaugural season, award winners, transactions, draft picks, season statistical leaders, etc., see the [Franchise History & Records page online](#).

Aces Media Central

For quick links to the Aces credential portal, past game notes, WNBA media policies, 2025 Year in Review (as it happens) and other media-centric information, be sure to check out the [Aces Media Central page](#).

Statistics

If all you need are our season statistics, just flip to the end of these notes. Both teams' stats are always located on the second to last page. We have decided not to include any box scores ~~because we are lazy~~ in an effort to rid the planet of unnecessary paper waste. All WNBA box scores (PDFs) are located online and can be downloaded here.

Frequently Asked Questions

1) "I have found several typos in this document. Would you like to know about them?"

Yes, we would, but you should know that there are many people in the world who are not happy unless they find fault in the work of others. In an effort to boost their self-confidence, we have intentionally sprinkled several typos in this document to assist them, so we may already be aware of the typos of which you speak.

2) "I wish you would include [insert statistical note wish here] in your game notes."

Send us an email request and we'll try to add it to the notes package. After all, we are here to help you cover the Aces, and if there's something missing that will better help you do your job, please let us know!

Epilogue

If you have any additional questions, please don't hesitate to reach out to the Aces media relations duo listed on Page 1. Thanks again for your interest in covering the Las Vegas Aces.

Your dedicated media relations team,
Caroline & Carly

NEEDLE IN A HAYSTACK

The Las Vegas Aces on Aug. 21 gave up zero points off turnovers for the first time in franchise history. It also was just the 16th occurrence since the W tipped in 1997, which is about a **0.002%** chance of happening in any game.

This season the Aces rank No. 4 for turnovers per game (13.4) and No. 5 for **opponents points off turnovers** (14.5) overall this season, numbers that improved to 12.5 (No. 5) turnovers and 11.5 (No. 3) opponents points off turnovers over the Aces current 10-0 run.

JUST THE (M'VP & D'POY) FACTS, JACK

EXPANDED MILESTONES

Jewell Loyd (5,963) is closing in on scoring her 6,000th career point, something only **15 players in the history of the league have done**.

With 6 games remaining, Wilson has a shot at 2,500 rebounds (she needs 67 more) and would be the **24th W player to grab 2,500 boards**. Once she reaches that milestone, she'll join an exclusive list that currently includes just **10 players with 5,500 points and 2,500 caroms**.

MONEY BALL

Jewell Loyd, who is shooting a career fourth-best 37.6% from 3-point land this season and is a 35.1% career shooter from deep, has been exceptionally efficient from the left corner. She has made 20 of 40 (.500), which is the **most in the league**, from that spot.

POST ALL-STAR BUMP ... CRANKED UP

The Aces, who have hit the century mark in scoring three times this season, twice since the midseason classic, have seen an improvement in many statistical categories since the All-Star break, which has cranked up even more during the 10-game winning streak. Here's a snapshot:

	W-L	PTS	OER	OPP POT	FG%	3P%	REB	AS	TO	ST	BK

A'JA DOUBLED THE MONTHS

Wilson became the first player in WNBA history to average at least 25 points and 10 rebounds in two consecutive months, after doing so in May and June 2024. She then upped the streak to 5, through September of 2024.

While she didn't make it 6 in a row, Wilson still holds the high-water mark for most consecutive months with 20+ points and 10+ rebounds with 6 from May 2024 through May 2025.

After failing to hit the double-double average in June and July, however, she's back with a double-double in August 2025 and is a shoe-in for her 13th WNBA Western Conference Player of the Month award.

Month	PPG	RPG
May 2024	26.5	12.5

PUT ME IN, COACH. I'M READY TO PLAY.

In the first 25 games this season, Jewell Loyd averaged 10.4 points on 36.3% shooting from the field and 35.4% behind the arc. Since asking to come off the bench, Loyd has bumped those numbers to 13.2 ppg, 44.2% from the field and 42% from 3-point over her 12 games as a reserve.

FAN FAVORITES

The Las Vegas Aces are on a WNBA record 45 game home sellout streak, and should bump that to 46 when they return to Vegas Sept. 4.

The Aces previously made W ticketing history in March 2024 when they announced 15 sellouts along with the fact that season-ticket memberships were sold out ahead of the season, the earliest any team had ever done so. They made history again when all 2025 season-ticket memberships were sold out by August 2024. (see page 10 for more)

500 CLUB

A'ja Wilson, who swatted her 500th blocked shot on Aug. 6, is now one of just **10 players in WNBA history with 500 blocked shots**. She is the 5th fastest, getting her 500th in 253 games. Brittney Griner is No. 1 (153 games).

CENTURY WIN

On July 27 against Dallas, Becky Hammon **became the third-fastest and 18th overall W coach to win 100 W games**.

RK	Coach	100 Wins Milestone Game	Overall Record
1.	Michael Cooper	124	230-158 (.593)

## FREE MONEY

Jackie Young is having a career year from the charity stripe. Owning a career 86.2% career free throw percentage, Young is shooting a career-best 90.6% (125-138 FTs) this year at the charity stripe. Young has two extensive streaks of made free throws this year with 39 in a row from June 11-29 and 32 straight from July 8-Aug. 3.

## MORE FREE MONEY

A'ja Wilson made all 11 of her attempts from the line on Aug. 14, the 8th time in her career she's been perfect at the line with 10 or more attempts, which **ranked tied for No. 4 with Skylar Diggins and Lindsay Whalen in WNBA history** for 10 or more free throws made with no misses. Jackie Young has three games with 10 or more makes and no misses—two of which were accomplished in 2025—and is tied with 13 others at No. 20. No. 1 is Diana Taurasi with 19 such games.

## THAT'S OFFENSIVE

The Aces have had one of the best offenses in the W since making the move to Vegas. In 2020 they ranked 2nd in the WNBA in OER, and in 3 of the past 4 seasons they finished 1st, including a league-record 113.0 OER in 2023, and were 2nd in 2024. **While this year's team has the lowest ranking since moving to Las Vegas**, the Aces over the past 10 games have bumped up to an eye-popping 114.8 offensive efficiency rating -- above the league record set by the 2023 championship team.

She led the league in blocks in each of the past 3 seasons, as well as in 2020, and is the 3rd player in W history to lead the league in blocks in 3 or more seasons.

**The only other players in WNBA history to have led the league in blocked shots 3 or more times** were Margo Dydek and Brittney Griner.

In fact, the previous five seasons are the top five scoring years in franchise history. However, the Aces scoring this year has dipped to the lowest since arriving in Las Vegas.

NEVER GONNA GIVE YOU UP

Through the 2024 season, only 5 players in WNBA history **averaged more than 20 points and fewer than 2.0 turnovers over the course of a season**. A'ja Wilson has now accomplished the feat 4 times (2018, 2020, 2023 and 2024), which ranks 2nd behind Breanna Stewart (5).

Elena Delle Donne and Lauren Jackson are 3rd with 3 such seasons apiece and Tina Charles joined the list in 2016. Wilson's 26.9 points a game in 2024 tops the chart and her **1.26 turnovers per game ranks No. 4**.

That list bumps to **15 players when upping the turnover average to 2.5 per game**, which is being done by just two players in 2025 -- Napheesa Collier (23.5 ppg, 2.3 TOs) and Wilson (21.3 ppg, 2.3 TOs).

Further, there are **18 players in the history of the WNBA** who have amassed at least 5,000 points and 2,000 rebounds. Of those 18, **only 7 have turned it over fewer than 2.0 times per game**. Wilson ranks No. 3.

## LOOK AT ALL THE PEOPLE HERE TONIGHT

Over the past two seasons, the Aces have been rewriting their home attendance record books, and in 2024 made WNBA history by becoming the first team in the league to sell out 100% of their home games in a season.

**The Aces sold out their entire season ticket membership inventory for the 2025 season last August—the earliest any team had ever done so.**

- **The Aces have sold out 45 straight home games**, dating to Game 2 of the 2023 WNBA Semifinals (Sept. 26, 2023)
- On July 2, 2024, there were **20,366 in attendance at T-Mobile Arena**, which was the fifth-most attended game in WNBA regular season history and the most since 1999.
- The franchise-high 20,366 fans at T-Mobile Arena against Indiana on July 2, 2024, eclipsed the previous regular season record of 17,406, set on Sept. 10, 2023, when the Aces played host to the Mercury.
- Prior to this season, the top 10 attendance marks for Las Vegas Aces games played at Michelob ULTRA Arena came in 2024. However, eight of the games at MUA in 2025 jumped into the MUA top 10 list and the top 6 attended games at MUA came this year.
- After seeing attendance averages hit no higher than 5,606 over their first four seasons in Las Vegas, the Aces upped their average to 9,551 fans per game in 2023, and surpassed that number in 2024 with an average of 11,283 over their 20 regular season home games. The Aces are averaging 11,043 in 2025.
- **The Aces sold out of their 2024 season-ticket memberships in early March** and had 7 full sellouts by the third week in April, breaking the Las Vegas record of 6 regular season sellouts set in 2023.
- The Aces upped that mark and **sold out of their 2025 season-ticket memberships in August 2024**, the earliest for any W team ever.
- The attendance mark of **10,509** against Washington on May 23, 2025, is the largest crowd ever for an Aces game at Michelob ULTRA Arena.
- The Las Vegas Aces have welcomed **10,000 or more fans at 54** home games since arriving in the Valley in 2018—3 of which came in 2022, 9 were in 2023, 23 in 2024 and 19 (and counting) in 2025.
- On Sept. 13, 2023, **the Aces rewrote their playoff attendance record** since arriving in Las Vegas with 12,927 fans at T-Mobile Arena for their first game of the First Round against the Sky. The franchise high for a playoff game is 16,012, set Oct. 3, 2008, when the San Antonio Stars hosted the Detroit Shock in the Finals.
- On Oct 8, 2023, against New York, the Aces welcomed the **most fans ever to attend a playoff game in Michelob ULTRA Arena (10,300)**. That mark has since been eclipsed.
- The Aces ranked **1st in the W in attendance in 2023** with the help of 6 sold out games and **3rd in 2024** after 20 sellouts. The Aces also sold out 2 playoff games in 2024.

CAN'T TOUCH THIS

Entering the 2025 season, there had been 104 different occasions where a player averaged **15 or more shots per game** while playing in at least 20 games—the very definition of a team’s go-to offensive player.

Of those 104 instances, **65 shot 45% or worse from the field**. Only 7 times had a player **shot better than 50% from the field**. Wilson became the first player to do it twice in her career after first doing so in 2023.

Of those who have previously accomplished this feat, most took fewer than 16 shots. Wilson in 2024 took 19.6 shots per game—more than 2 shots more per game than the next person on the list, Seimone Augustus.

HEAD COACH BECKY HAMMON

Las Vegas Aces President Nikki Fargas announced on December 31, 2021, that the team hired San Antonio Spurs assistant and 6-time WNBA All-Star Becky Hammon as the team's head coach.

Hammon rewarded the Aces less than nine months later with the franchise's first WNBA Championship.

She repeated that feat in her second season, helping the Aces become the first team to claim back-to-back WNBA titles in more than 20 years.

While the Aces 3-peat bid fell short in Hammon's third season, the injury-hampered team still advanced to the

WNBA Semifinals and finished fourth in league play.

In her first three years with the Aces, Las Vegas tallied a 77-29 (.726) mark in the regular season, 19-6 (.760) in playoff games and also captured the 2022 Commissioner's Cup crown.

The seeds for Hammon's hiring were originally sewn when the Aces retired her jersey on September 13, 2021. That ceremony served as the culmination of the franchise's 25th anniversary alumni initiative, which saw the Aces embrace their Utah and San Antonio roots, and celebrate the players who helped build the franchise and the league from the ground up. Las Vegas owner Mark Davis spent time with Hammon and her family that week, and walked away understandably impressed.

Hammon played 16 seasons in the WNBA, including her final eight in San Antonio, where she led the franchise to its first finals appearance in 2008.

On August 5, 2014, Spurs head coach Gregg Popovich hired Hammon as a full-time assistant making her the first woman in NBA history to hold that position.

Since that time, Hammon continued to accumulate coaching 'firsts' in the NBA. On July 3, 2015, she became the first woman to serve as head coach in the NBA's Summer League where she led the Spurs to the league title.

Less than a year later, Hammon became the first woman to be part of an All-Star coaching staff, and on December 30, 2020, following Popovich's ejection in San Antonio's game against Los Angeles, Hammon took over on the bench, becoming the first woman acting head coach in the history of the NBA.

A member of the league's 15th, 20th and 25th anniversary teams, Hammon went undrafted in 1999 following her All-American career at Colorado State. She signed with New York as a free agent that same year, helping the team to WNBA Finals appearances in three of her first four years in the Big Apple.

The Rapid City, South Dakota native earned her first All-Star nod in 2003, and represented New York on the Eastern Conference squad in 2005 and 2006 as well.

Following the 2006 season, New York traded Hammon to San Antonio. In her first year in silver and black, she posted what were then career highs in scoring (18.8 ppg), and assists (5.0) while earning another trip to the WNBA All-Star Game. As a team, the Silver Stars made their first appearance in the postseason since 2002, falling to Phoenix in the Western Conference Finals.

In 2008, Hammon led San Antonio to its first trip to the WNBA Finals where they fell to Detroit. The Silver Stars made the playoffs in each of her seven full seasons with the team, and Hammon once again was named to the All-Star team in 2009 and 2011.

She retired as the franchise leader in assists per game (5.1) and scoring average (15.6), and the WNBA leader in career free throw percentage (89.7).

Hammon, who was inducted into the Naismith Memorial Hall of Fame on Aug. 12, 2023, was inducted into the Women's Basketball Hall of Fame in 2022, the Colorado Sports Hall of Fame in 2015 and the San Antonio Sports Hall of Fame in 2018.
