CONGRATULATIONS!

If you are reading this, it means that you have made the wise decision to cover a WNBA game featuring the three-time WNBA Champion Las Vegas Aces. Odds are, you a member of one of the most prestigious media outlets in the nation, and a talented print, radio or television personality. Regardless of how these game notes came into your possession, welcome to year 9 of the Las Vegas Aces and year 30 of this storied franchise.

These Game Notes are designed to simplify your coverage of the Aces, but in a society that now likes to communicate in 140 ~~280~~ characters or less and 30-second Tik Tok videos, even a modest-sized set of Game Notes like this one can be intimidating.

Over the rest of this page, we will walk you through the complexities of this document to further enhance your ability to cover the most entertaining team in the WNBA.

Before we begin, we want you to know that we've gone interactive with notes again this year. **Embedded links will take you to the interweb page that contains more information on each note or tidbit of information. Click through to your heart's content!**

Aces, Stars & Starzz Franchise History

For a robust franchise history, including yearly team recaps dating to 1997, the league's inaugural season, award winners, transactions, draft picks, season statistical leaders, etc., see the [Franchise History & Records page online](#).

Aces Media Central

For quick links to the Aces credential portal, past game notes, WNBA media policies, 2025 Year in Review (as it happens) and other media-centric information, be sure to check out the [Aces Media Central page](#).

Statistics

If all you need are our season statistics, just flip to the end of these notes. Both teams' stats are always located on the second to last page. We have decided not to include any box scores ~~because we are lazy~~ in an effort to rid the planet of unnecessary paper waste. All WNBA box scores (PDFs) are located online and can be downloaded here.

Frequently Asked Questions

1) "I have found several typos in this document. Would you like to know about them?"

Yes, we would, but you should know that there are many people in the world who are not happy unless they find fault in the work of others. In an effort to boost their self-confidence, we have intentionally sprinkled several typos in this document to assist them, so we may already be aware of the typos of which you speak.

2) "I wish you would include [insert statistical note wish here] in your game notes."

Send us an email request and we'll try to add it to the notes package. After all, we are here to help you cover the Aces, and if there's something missing that will better help you do your job, please let us know!

#WINNING, POSTSEASON EDITION

Since moving to Las Vegas in 2018, the team is 35-20 (.636) in the playoffs and have won 18 games by 10 or more points, 6 by at least 20 and 2 by more than 30. Further, the Aces own the most playoff victories in the league since the team relocated to the Sports & Entertainment Capital of the World.

The three-time champs have won 63.6% (35-20) of their postseason games since relocating to Las Vegas, Connecticut is No. 2 with 23 victories since 2018, Seattle has 17, and New York and Phoenix round out the top five with 16 apiece.

The franchise is 45-43 overall in playoff games and has reached the WNBA Finals five times -- 2008, 2020, 2022, 2023 and 2025.

20/10 GAMES

A'ja Wilson (109) lists second, behind Tina Charles (109), on the WNBA's all-time regular season list for 20/10 points/rebounds double-doubles.

In playoff games, however, she sits atop that list with 17 such double-doubles. Tied at No. 2 on the list are a pair of legends, Tamika Catchings and Candace Parker, who had 12 apiece in their playoff careers.

COACHING #WINS

Las Vegas Aces head coach Becky Hammon ranks No. 5 for all-time WNBA postseason coaching victories with 28, trailing No. 4 Mike Thibault, who produced 34 playoff wins.

Among the top 10 in all-time WNBA postseason coaching wins, Hammon ranks at the top of the list for winning percentage with an unmatched 75.7%, ahead of No. 2 Michael Cooper (.628) and No. 3 Cheryl Reeve (.627).

MONEY BALL

Fun fact of the day: the Las Vegas Aces are 15-1 in playoff games when A'ja Wilson scores at least 25 points. In 41 regular season games this year, Wilson scored at least 25 in a total of 24 games, or 59% of her outings.

EARLY RETURNS

In securing her 20th playoff victory on Sept. 14, 2025, Becky Hammon became the second-fastest coach in W history to reach 20 playoff wins, doing so in her 26th postseason game. Cheryl Reeve tops the list after getting her 20th in 25 games. Michael Cooper (27), Van Chancellor (30) and John Whisenant (31) round out the top 5.

Hammon also lists as the second-fastest to her 25th playoff victory, doing so in 34 games. Reeve tops the list after picking up her 25th win in 33 games. Cooper (37), Bill Laimbeer (41) and Sandy Brondello (46) round out the top 5.

TAKING STOCK

Over A'ja Wilson's 55 career playoff games, the defensive specialist's 189 total stocks ranks No. 5 among all-time WNBA postseason leaders.

SETTING A POSTSEASON TABLE FOR TWO

Chelsea Gray, who has 897 points and 389 assists in playoff games and needs just 3 points and 11 dimes to become just the second player in league history with 900 points and 400 assists once she hits those markers. Alyssa Thomas was the first, doing so in Game 4 of the 2025 Finals

1'000 POINT CLUB

A'ja Wilson in 2024 became the first player in WNBA history to score 1'000 points in a single season, and owns four of the top seven single-season scoring records in league history.

On Sept. 20 she surpassed 1k points on the year to become the first player to have multiple 1'000-point seasons. She capped the season listing No. 2 on the all-time single-season list for total points and points averaged.

Wilson remains the fastest to 1'000 points, having hit the mark in her first 37 games of 2024, whereas Kelsey Mitchell took 40 games to hit 1K.

GET OUT YOUR BROOMS

A'ja Wilson earned all four available Western Conference Player of the Month honors this season and in doing so, became the first WNBA player to sweep in multiple seasons since the award launched in 2010.

Her first season sweep came in the 2020 'wubble' season. The only other players to do so were all Eastern Conference winners, Tina Charles in 2016 and Elena Delle Donne in 2019.

Wilson has now claimed each of the last 5 and 12 of the last 18 Western Conference Player of the Month awards. Further, Wilson is one shy of the record of 6 consecutive monthly honors she claimed from June 2023 through July 2024.

THAT'S OUR POINT GAWD

On Sept. 24, Chelsea Gray (10) and Jackie Young (11) dished out double-digit assists, marking the 4th time in league history that a pair of teammates dished out at least 10 assists each in a single game. Not only have the Aces produced 3 of the 4, but Gray was involved all 4 times.

Team	Date	Duo (Assists)
Las Vegas	9/24/26	Gray 10, Young 11
Las Vegas	9/11/25	Gray 10, Young 12

TOP 50 ALL-TIME VICTORIES

Of the approximately 1,200 women who have played in the WNBA, Chelsea Gray, Jewell Loyd, A'ja Wilson and Jackie Young list among the top 50 winningest players in league history. Gray is tied with Tina Thompson at No. 8 (286 victories), Loyd is tied with Jonquel Jones at No. 26 (234), Wilson is tied with Ruth Riley and Kristi Tolver at No. 43 (216) and Young sits alone at No. 50 (207).

THE HAMMON EFFECT

Since Becky Hammon took the Aces helm in 2022, Las Vegas has earned more regular season victories than any team in the league.

Wins Since 2022

Team	Wins	Winning %
1. Las Vegas	148	.726
2. New York	133	.652

#WINNER AT EVERY LEVEL

Jackie Young is the first player to earn a high school state championship, NCAA title, WNBA crown, Olympic gold, 3x3 Olympic gold and a World Cup gold medal after earning the final trophy when she aided the USA to the top spot on the podium in the 2026 World Cup in Berlin.

22 IS NEVER TOO MANY

Jackie Young on Sept. 17 in Seattle scored 22 points in the first quarter and finished the game with a career-high 35. The 22 points equaled a WNBA single quarter scoring record, accomplished previously by Jewell Loyd in 2017, Brittney Sykes in 2019 and Diana Taurasi in 2006. And in fact, only 20 times in the history of the WNBA has a player registered at least 20 points in a single quarter.

LONGEVITY DIFFERENCE MAKERS

It seems obvious when watching them on the court how Chelsea Gray, A'ja Wilson and Jackie Young impact a game. And stats don't lie. Among the 239 players who competed in at least 200 career WNBA games, Young ranks second, Wilson third and Gray seventh for all-time +/-.

Rk	Player	Games	W%	+/- Per Game

MOVED UP THE LINE

A'ja Wilson entered the 2026 season ranked No. 21 on the league's all-time scoring list with 5,719 points. She passed retired players **Angel McCoughtry** (5,797), **Becky Hammon** (5,841), **Seimone Augustus** (6,005), **Lauren Jackson** (6,007), **Lisa Leslie** (6,263), **Sylvia Fowles** (6,415), **Katie Smith** (6,452) and **Candace Parker** (6,574), and current players **Brittney Griner** and **Jewell Loyd**. She finished at **No. 11 with 6,792 points**, just 11 points shy of tying No. 10 **Sue Bird's** 6,803 points.

13TH CENTURY

The Aces **scored at least 100 points 13 times this season**, which ranks No. 1 in franchise history, passing the 11 recorded by the 2023 Aces championship squad. It also tied with Minnesota for the second-most of any team this year to score 100 or more, trailing Indiana's 20.

Additionally, the franchise has a total of 64 games hitting the century mark, all of which were recorded after the move to Las Vegas, which lists **second all-time among W franchises**, behind the 68 recorded by Phoenix.

TABLE FOR TWO

A'ja Wilson hit yet another set of markers on Aug. 8 -- and was again the youngest and fastest to do so in becoming just the **second** player in WNBA history with at least **6,500 points, 2,500 rebounds, 700 assists, 300 steals and 500 blocked shots**. **Candace Parker** hit the quintuple milestone in her 403rd career game, and closed her career with 410 games under her belt. Wilson hit the quad milestone in 297 games.

Even more impressive? If you were to remove steals and assists from the equation, the **6,500-point, 2,500-rebound, 500-block club** also features just Parker and Wilson.

The **list stands at 9 when factoring in only 6,500 points and 2,500 rebounds**.

KEEP DROPPIN THOSE DIMES

To say that **Chelsea Gray** and **Jackie Young** dished out passes at a fast clip this year would be an understatement. Young's 6.8 apg ranked 4th and Gray's 6.7 apg was 5th among league leaders.

They not only finished among the top 5 for single-season assists averaged in franchise history, **they became the first duo in the W to ever average at least 6 assists a game**. Only once in history have teammates even produced at least 5.5 apg over the course of a season -- **Natasha Cloud** (5.6) and **Kristi Toliver** (6.0) did so in 2019 for Washington.

Prior to June 25, only **3 players in the 30 years of league play had amassed at least 4,500 points and 2,000 assists**. That number grew to 4 as **Chelsea Gray**, who scored her 4,500th point on June 2, dished out her 2,000th career assist in the third quarter June 25 against Dallas. She tied **Lindsay Whalen** as the second-fastest to the double milestone. HOME IMPROVEMENT

Nalyssa Smith spent time working on her game in the offseason and the result was a dramatic year-over-year improvement. She bumped her scoring production, while her playing time remained relatively steady. Additionally, Smith posted 3 double-doubles over 45 games last year and posted 4 this season. She also flirted with a double-double 3 times last year -- at least 9 points and 9 boards -- and had 10 such games in 2026.

STEALING AWAY

On June 17 against Phoenix, **A'ja Wilson** and **Jackie Young** became the first duo to each record at least 20 points and 5 steals in a regular season game. Wilson scored 33 points and Young had 21; both were credited with 5 steals apiece.

Fun fact? The rare feat was accomplished once in playoff history ... by a franchise duo, no less. **Adrienne Goodson** (20 points, 5 steals) and **Marie Ferdinand-Harris** (22, 5) did so in **Utah's 83-77 double-overtime loss to Houston** in the 2002 Western Conference Semifinals.

CAN'T TOUCH THIS

Over the course of 30 seasons, there have been 117 different occasions where a player averaged **15 or more shots per game** while playing in at least 20 games—the very definition of a team's go-to offensive player.

Of those 117 instances, **70 shot 45% or worse from the field**. **Only 12 times has a player who has averaged at least 15 attempts per game shot better than 50% from the field**. The only person who has had more than one such season is Wilson, who achieved the accomplishment for a 4th straight year.

This year, there were 7 players who saw action in the bulk of their team's games who averaged more than 15 FGA per game, only **5 of whom turned the ball over fewer than 3 times per game** and **just 4 who shot 45% or better from the field**. Wilson led in both attempts per game AND field goal percentage.

CAROM CLUB

A'ja Wilson grabbed her 2,500th career rebound at 2:28 in the 3rd quarter of the Aces May 10 win over the Sparks. In doing so, she became the **12th player in WNBA history with at least 5,500 points and 2,500 rebounds**. She was the fastest, 269 games (**Tina Charles**, 301), and youngest at 29 years and 275 days (Charles, 30 years, 184 days). **Breanna Stewart** became No. 13 on May 12 in 295 games, bumping Charles to third fastest.

IN USE

A'ja Wilson's 2026 usage rating (the percentage of a team's possessions that a player impacts) of **32.74** was the **8th highest in league history**.

None of the 7 players ahead of her had amazingly efficient offensive seasons. Most of the offensive efficiency ratings (OER) and offensive win shares (OWS) listed are above average to good, but there is nothing great about these performances. However, **A'ja Wilson's** OER and OWS **laps the field on the chart**. She has impacted an ungodly amount of her team's possessions, and is doing so at an M'VP level that boggles the mind.

Gray also became the 9th player in WNBA history with at least 4,000 points and 1,500 assists, and at the time **was the 4th-fastest to accomplish the feat**, doing so in 332 games (**Skylar Diggins**, 291; **Sue Bird**, 317; **Lindsay Whalen**, 328) before **Alyssa Thomas** did so in 327 games a week later for No. 10, bumping Gray to 5th fastest.

NO SUCH THING AS A FREE LUNCH

Normally among the top half of the league's teams in terms of attempts at the charity stripe, and despite scoring almost 40 per game inside the paint, the 2026 Aces are struggling to get to the free throw line, and **finished ranked 9th** in the W. You'd have to reach back to 2017 (No. 10, 17.4) to find a franchise team that wasn't in the top half of the league in trips to the line. The previous season low for a franchise team was 16.1 free throws attempted by the 2014 San Antonio Stars.

6,000 DEGREES OF SEPARATION

Jewell Loyd, whose first career point came against Los Angeles on June 6, 2015, became the **16th player in WNBA history to score 6,000 career points**. She did so Sept. 9, 2025, against Chicago at 31 years and 339 days, making her the fourth-youngest player in WNBA history to hit that mark. It was the 370th game of her career, which listed as the 10th fastest in W history. There are now 20 players on that list and when **A'ja Wilson** was added on June 8, she bumped Loyd to the 5th youngest to the mark.

ROARING 20'S

Over the WNBA's 30 seasons, a total of **31 (of approximately 1,200) players averaged at least 20 points over the course of a season** (minimum 20 games played).

Seventeen of those 28 had multiple seasons averaging at least 20. Only 5 boast of at least 5 seasons of 20 or more points a game. **A'ja Wilson** is one of them. **Breanna Stewart** and Wilson became just the second and third players over the W's 30-year history with 6 or more 20-point seasons. **Diana Taurasi** sits atop the list, having averaged at least 20 points over 7 different seasons.

Further, Wilson joined **Angel McCoughtry**, Stewart and Taurasi as the only players with four **consecutive seasons** averaging at least 20 points.

LOOK AT ALL THE PEOPLE HERE TONIGHT

Since 2023, the Aces have been rewriting their home attendance record books, and in 2024 made WNBA history by becoming the first team in the league to sell out 100% of their home games in a season. **The Aces sold out their entire season ticket membership inventory for the 2025 season in August 2024—the earliest any team had ever done so.**

- **The Aces sold out 45 straight home games**, dating from Game 2 of the 2023 WNBA Semifinals (Sept. 26, 2023) through Aug. 21, 2025, which includes games at both Michelob ULTRA Arena and T-Mobile Arena. Including last year's playoff games, the Aces are currently on a **68-game sellout streak at Michelob ULTRA Arena**, which dates to Game 1 of the 2023 WNBA Finals.
- On July 2, 2024, there were **20,366 in attendance at T-Mobile Arena**, which, at the time, was the fifth-most attended game in WNBA regular season history and the most since 1999.
- The franchise-high 20,366 fans at T-Mobile Arena against Indiana on July 2, 2024, eclipsed the previous regular season record of 17,406, set on Sept. 10, 2023, when the Aces played host to the Mercury.
- After seeing attendance averages hit no higher than 5,606 over their first four seasons in Las Vegas, the Aces upped their average to 9,551 fans per game in 2023, and surpassed that number in 2024 with an average of 11,283 over their 20 regular season home games. The Aces averaged 11,358 in 2025 and **11,205 in 2026**.
- **The Aces sold out of their 2024 season-ticket memberships in early March** and had 7 full sellouts by the third week in April, breaking the Las Vegas record of 6 regular season sellouts set in 2023. The Aces upped that mark and **sold out of their 2025 season-ticket memberships in August 2024**, the earliest for any W team ever. This year marked the third consecutive sold out season.
- The attendance mark of **10,513** against Indiana on July 12, 2026, is the largest crowd ever for an Aces game at Michelob ULTRA Arena.
- The Las Vegas Aces have welcomed **10,000 or more fans at 86 home games** since arriving in the Valley in 2018—3 of which came in 2022, 9 were in 2023, 23 in 2024, 29 in 2025 and **22** (and counting) **in 2026**.

ONE GOOD TURNOVER DESERVES ANOTHER

The Aces took care of the basketball better than anybody in the WNBA in four of the past five seasons, and those four seasons **rank as four of the top five lowest TO seasons in league history**. Despite a slight increase, the Aces still finished in the top four last year, and finished 2026 in third.

There are just **20 players in the history of the WNBA** who have amassed at least 5,000 points and 2,000 rebounds. Of those 20, **only 7 have turned it over fewer than 2.0 times per game**. And Wilson is among them.

## RAREFIED AIR

**Wilson ranks tied for 1st in WNBA history for 20/10 double-doubles** (points/rebounds), after having recorded a league-high 19 this season. Given that the closest active player is No. 7 **Breanna Stewart**, who has 59 such games, and Wilson is still in her prime, expect her to sit alone at the top in 2027 and hold on to that record for years to come.
