## Rookie Snapshot

BLOOMS UNDER BRIGHT LIGHTS AND  
RISES UNDER PRESSURE

Soni's Sunflowers are bred for peak performance under the brightest spotlights and the toughest assignments. Known for rapid growth and fierce defense, these two-way showstoppers thrive in crunch time and bring a blooming force to the floor. Expect quick acclimation, deep roots in team culture, and steady upward growth - standing tall and delivering on all business.

## Guard The Garden

PERENNIAL PROTECTOR: RESILIENT,  
INVASIVE, HARD TO GET THROUGH

Sonia isn't just a defender - she's a force of nature. Like ivy rooted deep in the woods, her presence spreads fast and holds firm. She reads the floor - always moving, always adapting. Her defense wraps around you, climbs over schemes, and cuts off every escape. She's not flashy, she's foundational. A perennial - returning every possession with the same relentless energy. She's invasive, disruptive, and here to stay. This isn't seasonal defense - it's Sonia. It grows all year.

## Rookie Snapshot

DELICATE IN FORM, COMMANDING IN PRESENCE

Kiki's Orchids are bred for toughness and presence. Rooted deep in hustle and powered by relentless effort, they stand tall and shine on every possession. Known for commanding the paint, outworking opponents, and fighting for every board, these fierce competitors don't just grow - they battle. Expect instant impact, fierce rebounds, and energy that fuels an arena. A true star of the show, both on and off the court.

## Season Snapshot

NOURISHED HER RISE: THIS CUSTOM FORMULA SUPPORTS SKILL GROWTH,  
STAT BLOOM, AND CONFIDENCE

Sug Sutton didn't just grow - she enriched everything around her. She's the nutrients in the system - steady, essential, and often unseen. Her vision feeds the offense. Her energy waters the rhythm. Her leadership keeps it rooted. Sug moves with quiet consistency. Understated. All function, just like the steady work of a trusted tool. She poured into her own game - reps, film, feedback, turning steady work into steady growth. This isn't a breakout, it's cultivation. Fueling growth - for herself and everyone around her.
