COMING OFF OF A WIN IN ATLANTA: SKY 87, DREAM 75 (Aug. 3, 2019)

In its first visit to Atlanta this season, Chicago emerged victorious on the strength of its scorching three-point shooting. The Sky shot 44.0% from behind the arc, while also limiting the Dream to a paltry 28.6% from distance. **Diamond DeShields** had a stellar performance just a week after being crowned victor in the WNBA Skills Challenge at All-Star Weekend. The second-year guard tallied 12 points, along with a career-high 12 rebounds and a season-high six assists. **Courtney Vandersloot** continued her consistent court distribution, racking up nine assists and has now led the Sky in that department in all but one of the team's 21 games. For the Dream, Alex Bentley scored a season-high 21 points and tied another season high with two steals in the contest.

TONIGHT'S OPPONENT: NEW YORK LIBERTY

SEASON SERIES

6/19/19		Chicago Sky	**91**	@	83	New York Liberty	
7/12/19		New York Liberty	83	@	**99**	Chicago Sky	
8/7/19		New York Liberty	-	@	-	Chicago Sky	

The Sky have beaten the Liberty in four of the last six contests and now lead the all-time series 26-25. Each team has scored at least 80 points in the last six meetings.

LAST MEETING VS. NYL

In the second matchup between the teams, Chicago recorded franchise victory number 200, while also breaking away from New York in head-to-head wins.

The Sky blew the game open in the second quarter, closing the half on a 28-2 run and outscored New York in the first three quarters of the contest, never relinquishing the lead in the second half.

Courtney Vandersloot recorded her second double-double of the season, tallying 17 points and 12 assists.

Reserve **Jamierra Faulkner** made her season debut, returning from injury, scoring two points, while grabbing a rebound and an assist in nearly seven minutes played.

For the Liberty, All-Star Kia Nurse recorded 18 points and 5 rebounds while shooting a perfect 5-of-5 from the charity stripe.

2018 v. NEW YORK (2-2)

Sun., May 20	vs. New York	W 80-76
Friday, June 29	@ New York	W 103-99
Sunday, July 1	vs. New York	L 94-97
Sunday, July 15	vs. New York	L 84-107

COURTNEY'S COMING FOR CAPPIE

Courtney Vandersloot has tallied at least eight assists in six consecutive games and needs just 12 assists to tie Cappie Pondexter at sixth on the WNBA all-time assists list.

Vandersloot's three double-doubles lead the Sky this season, and she has reached double-figures in assists six times in 2019.

STEFANIE DOLSON SETS SIGHTS ON 50-40-90 CLUB

In her sixth WNBA season, **Stefanie Dolson** is making history with her shooting efficiency all over the floor, exceeding 50 percent from the field, 40 percent from beyond the arc and 90 percent from the free-throw line. 50-40-90 seasons are extremely rare, and Dolson's current percentages stand at 54.7 (FG%), 40.7 (3PT%), and 96.3 (FT%), respectively. For reference, there have been just eight 50-40-90 seasons in NBA history.

It should be noted that Dolson's teammate **Allie Quigley** is also making a serious run at membership in the elusive 50-40-90 club. Quigley is currently shooting 49.8% from the floor, 47.5% from deep and 92.0% from the free-throw line.

Dolson posted 16 points on 6-for-7 shooting in Atlanta, drilling 4-for-5 deep balls and swatting three shots. The two-time All-Star also contributed two assists.

JAMIERRA FAULKNER IS BACK

Jamierre Faulkner, who missed all of last season and returned last month from injury, is coming off of two strong performances. In Atlanta, Faulkner scored seven points and contributed a pair of assists. In her previous game, a road matchup against the Sun, the backup point guard racked up five assists in just 11 minutes.

GABBY WILLIAMS SEARCHES FOR HER ROLE

Gabby Williams started 30 games for the Sky in 2018, but as a reserve this season, she has struggled to find her role in Coach James Wade's first year running Chicago's offense. Playing point guard for the first time in Williams' career, she is posting season averages of 6.1 points, 2.0 assists and 1.9 rebounds per game, while shooting 43.6 percent froom the floor and 18.5 percent from behind the arc.

However, there is reason for optimism. Williams is coming off of a an encouraging performance in Atlanta, where she tallied seven points, two assists, a rebound, and a steal. Williams drilled three of the four shots she attempted and nailed the lone 3-pointer she attempted. Despite her four turnovers, she looked aggressive and confident on the court.
